Pathfinder: Yicheng Zhao

In the summer of 2011, I traveled to Japan with my mom, and the image was taken in Shinsaibashisuji, which is a commercial district in Osaka. It was the first time that I had a trip in another country. At that time, I was so interested in the Japanese animation and comic books, so the interactive billboards combining with animal/cartoon figures left a strong impression to me. When I was a teenager, I also enjoyed drawing (using different kinds of pen/pencil/watercolor brushes), I explored in the stationery shop in Shinsaibashisuji and had a lot of fun there.
